BIOS

I have evolved from purely traditional media interests to include a broader design oriented focus. My interests and experience now center on graphic and web design, electronic image making/altering and photography. My fresh new perspectives aim to add new and enlightening ideas to any organization.

EDUCATION

- 2004 – 2005 **Attestation of Collegial Studies**, Graphic and Web Design
Herzing College, Montreal, QC
- 1999 – 2003 **Bachelors of Fine Arts**, Visual Arts (Graduated with Special Honors)
York University, Toronto, ON
- 1996 - 1999 **Diploma of Collegial Studies**, Creative Arts
John Abbott College, Montreal, QC
- 1992 - 1996 **High School Diploma**
Lower Canada College, Montreal, QC

SPECIAL SKILLS

I am well versed in several computer languages and software packages; amongst them: Photoshop CS2 and ImageReady CS2, Illustrator CS2, InDesign CS2, Flash MX/ActionScript 2.0, Dreamweaver MX, Fireworks MX, HTML, XML, DHTML, CSS, JavaScript, basic PHP, Perforce, Acrobat Professional and the most recent versions of PowerPoint, Excel and Word. I should also note that all my designs are W3C compliant and are flexible with the most recent versions of Mozilla's Firefox, Netscape Navigator, Opera and Internet Explorer.
